7. The assessing authority shall if he is satisfied, after such scrutiny of the accounts of the dealer and such enquiry as he may consider necessary, that the return submitted under rule 6 is correct and complete, fix provisionally on the basis of the return the annual tax payable at the rates specified in section 3 (1).

8. If no return is submitted by the dealer as required by rule 6 or if the return submitted by him appears to the assessing authority to be incorrect or incomplete, the assessing authority shall after making such enquiry as he considers necessary determine the turnover of the dealer to the best of his judgment, and fix provisionally the annual tax payable at the rates specified in section 3 (1).

9. Where any return submitted by a dealer appears to the assessing authority to be incorrect or incomplete, the assessing authority shall, before taking action under rule 8, issue a notice to the dealer calling upon him to produce his accounts and prove the correctness and completeness of his return at a time and place to be specified in the notice.

10. As soon as the tax has been provisionally fixed under rule 7 or rule 8 the assessing authority shall issue to the dealer a notice in Form A-2 and the dealer shall pay for each month of the year of assessment one-twelfth of the tax provisionally fixed at the time and in the manner specified in the notice, the monthly instalments due for the months preceding the date of the notice being paid in a lump sum.

(2) On receipt of this return the assessing authority shall, if he is satisfied, after such scrutiny of the accounts and such enquiry as he considers necessary that the return is correct and complete, finally assess on the basis of the return the tax payable under section 3 (1) for the preceding year.

(3) If no return is submitted or if the return submitted appears to the assessing authority to be incorrect or incomplete, the assessing authority may, after following the procedure prescribed in rules 8 and 9, finally assess the tax according to the best of his judgment.

(4) In addition to making the final assessment for the previous year under sub-rules (2) and (3) the assessing authority shall, at the same time, make the provisional assessment for the current year and shall issue to the dealer a notice in Form A-2.

12 If the final assessment made under rule 11 is greater than the provisional assessment made under rule 7 or rule 8, the assessing authority shall serve upon the dealer a notice in Form B, and the dealer shall pay the sum demanded at the time and in the manner specified in the notice. If the final assessment is lower than the provisional assessment, he shall serve upon the dealer a notice in Form C.

13. (1) In lieu of the method of assessment described in rules 7 to 12 the method described in sub-rules (2) to (5) may, at the option of the dealer, be adopted at any time in the case of dealers whose net turnover exceeds Rs. 20,000 If the dealer desires that this method of assessment should be applied to him from the beginning of any year he shall intimate his desire to the assessing authority at the time of submitting the return prescribed in rule 6 or thereafter before the 1st of April in any year. If, however, he exercises the option after the commencement of any year he shall along with the intimation of his exercise of such option submit to the assessing authority a return in Form A-3 showing the gross and net turnover for the period commencing from the beginning of that year up to the end of the month immediately preceding and shall therewith forward a receipt from a Government Treasury or a cheque in favour of the assessing authority for the full amount of the tax payable by him for such period after deducting therefrom any tax which he might have paid for that year under rule 10.

(2) The dealer shall submit to the assessing authority, on or before the 20th day of November 1939 and thereafter on or before the 20th day of every month, a return in Form A-3 showing the gross and net turnover for the preceding month Along with the return, he shall also submit a receipt from a Government treasury or a cheque in favour of the assessing authority for the full amount of the tax payable for the month to which the return relates at the rate specified in section 3 (1).

(4) If no return is submitted in respect of any month before the 20th day of the succeeding month or if the return is submitted without a receipt or cheque for the full amount of the tax payable or if the return submitted appears to be incorrect or incomplete the assessing authority shall, after making such enquiry as he considers necessary, and after giving the dealer an opportunity as prescribed in rule 9 of proving the correctness and completeness of his return, where one has been submitted, determine the turnover to the best of his judgment and assess the tax payable for the month and shall serve upon the dealer a notice in Form B-1 and the dealer shall pay the sum demanded at the time and in the manner specified in the notice.

(5) If at the time of the receipt of the return referred to in sub-rule (3) or of the issue of the notice in Form B-1 referred to in sub-rule (4) or subsequently it is found that the amount paid by the dealer is in excess of the correct tax payable under section 3 (1), such excess shall, at the option of the dealer, be credited towards the tax, if any, payable by him for succeeding months or be refunded to him.

14. If in any case the assessing authority determines the turnover at a figure different from that shown in a return submitted under the provisions of these rules, he shall record his reasons briefly in writing and shall furnish the assessee with a copy of such record Nothing contained in this rule shall affect the validity of any assessment duly made

15. (1) Rules 6 to 13 shall not apply to licensed tanners and other licensed dealers in hides or skins in respect of their dealings in hides or skins; but the provisions of this and the following rule shall apply to them in respect of such dealings.

(2) Every tanner or other dealer in hides or skins whose net turnover for a year has been or is expected to be not less than Rs. 10,000 shall submit to the assessing authority, on or before the 20th day of November 1939 (or the 20th day of the month following that in which he commences business) and thereafter on or before the 20th day of every month, a return in Form A-4 or, as the case may be, in Form A-5 showing his transactions for the preceding month Along with the return he shall also submit a receipt from a Government treasury or a cheque in favour of the assessing authority for the full amount of the tax payable for the month to which the return relates,

(3) On receipt of the return and of the receipt or cheque referred to in sub-rule (2) the assessing authority shall, after such scrutiny of the accounts and after making such enquiry as he considers necessary, satisfy himself that the return is correct and complete and that the correct amount of tax has been paid.

(4) If no return is submitted in respect of any month before the 20th day of the succeeding month or if the return is submitted without a receipt or cheque for the full amount of the tax or if the return submitted appears to be incorrect or incomplete, the assessing authority shall, after making such enquiry as he considers necessary, and after giving the tanner or other dealer an opportunity as prescribed in rule 9 of proving the correctness and completeness of his return, where one has been submitted, determine the turnover to the best of his judgment and assess the tax payable for the month and shall serve upon the tanner or other dealer a notice in Form B-1 and the tanner or other dealer shall pay the sum demanded at the time and in the manner specified in the notice.

(5) If at the time of the receipt of the return referred to in sub-rule (3) or of the issue of the notice in Form B-1 referred to in sub-rule (4) or subsequently, it is found that the amount paid by the tanner or other dealer is in excess of the correct tax payable, such excess shall, at the option of the tanner or other dealer, be credited towards the tax, if any, payable by him for succeeding months or be refunded to him.

16. (1) In the case of hides and skins the tax payable under section 3 (1) shall be levied in accordance with the provisions of this rule.

(2) No tax shall be levied on the sale of untanned hides or skins by a licensed dealer in hides or skins except at the stage at which such hides or skins are sold to a tanner in the Province or are sold for export outside the Province.

(i) In the case of all untanned hides or skins sold to a tanner in the Province, the tax shall be levied from the tanner on the amount for which the hides or skins are bought by him.

(ii) In the case of all untanned hides or skins which are not sold to a tanner in the Province but are exported outside the Province, the tax shall be levied from the dealer who was the last dealer not exempt from taxation under the first proviso to section 3 (2) who buys them in the Province, on the amount for which they were bought by him.

(3) Sales by licensed dealers of hides or skins which have been tanned within the Province shall be exempt from taxation provided that the hides or skins

have been tanned in a tannery which has paid the tax leviable under the Act. If such hides or skins have been tanned in a tannery which is exempt from taxation under the first proviso to section 3 (1) the sale of such hides or skins shall be liable to taxation as under the next sub-rule below dealing with hides or skins tanned outside the Province.

(4) Sales by licensed dealers in hides or skins which have been tanned outside the Province shall be exempt from taxation except at the stage of sale by the dealer who is the first dealer not exempt from taxation under the proviso to section 3 (1) who sells them within the Province. Rules for issue, etc., of licences for tapping of toddy-producing trees and for drawing of toddy.

No. 9.—In virtue of the powers delegated under clause XI of Government Notification No. 485, dated 13th July 1895, published on pages 1203 and 1204 of the *Fort St. George Gazette*, dated 29th September 1896, Part I, as amended by Government Notification No. 101, dated 15th March 1924, and in supersession of Commissioner's Notification No. 7, dated 25th July 1928, the Commissioner of Excise and Separate Revenue hereby prescribes the following rules for the issue, etc., of licences under section 12 of the Madras Abkari Act I of 1886, for the tapping of toddy-producing trees and for the drawing of toddy therefrom, to have effect in the following local areas from the 1st day of October 1930:—

(1) The villages in the Agency tracts specified in Schedule I annexed.

(2) The rest of the Presidency with the exception of the Nilgiris district excluding the Gudalur taluk and the Attepadi valley of the Malabar district.

(3) The Banganapalle State.

2. Tree-tapping licences shall be issued on the application—

(*a*) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately;

(*b*) of persons having the exclusive privilege of manufacture and supply of coconut toddy arrack;

(*c*) of tappers on their own application in the South Kanara district provided that the application for licence is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken;

(*d*) of tree-owners generally, and of sweet-toddy tappers in the villages of the Agency tracts specified in Schedule I, in the East Godavari district, in the West Godavari district, in the Repalle and Bapatla taluks of the Guntur district and in the Kavali, Atmakur, Nellore and Kovur taluks of the Nellore district, for not more than five trees in the case of tree-owners and three trees in the case of sweet-toddy tappers for the drawing of toddy required for domestic consumption, but not for sale;

(*e*) of toddy shopkeepers or renters in the Mysore territory and in the Banganapalle State desiring to obtain toddy from trees growing in British territory;

(*f*) of toddy shopkeepers in the Pudukottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Salt and Abkari Inspector of the State; and of toddy renters in the Cochin State; and

(*g*) of any member of a hill tribe whether a tree-owner or not residing in Simhachalam, Adviseram, Modhuravada and Mudasarlova villages of Vizagapatam taluk or in any of the villages of the Vizagapatam district specified in Schedule II, for not more than five trees for each household for domestic consumption, but not for sale.

In cases (*b*), (*d*) and (*e*) the licences may be issued in the name of the applicant himself or of his nominee, and in cases (*a*), (*c*), (*f*) and (*g*) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licences must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the district treasury or a taluk treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. In the case of persons mentioned in rule 2 (*a*) and (*c*) the tree-tax must be paid into a Government treasury of the taluk in which the shop is situated or to an authorized village munsif in the same taluk, and the renters concerned should affix a declaration in the applications to the effect that they have obtained a licence permanent or temporary, for a shop specifying also the name and number of the shop for which trees are to be marked. The shop licences should be produced before village munsifs in cases where the application and fees are presented to those officers. Pudukottai renters, when applying for trees in British territory, must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree-tapping licences must be made in the prescribed form to the Inspector, Excise Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of the Excise Department and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications must bear a court-fee stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer; if payment has been made to a village head, the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned, along with the application in Form T T 3, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping licence in Mysore. Applications from Mysore renters for licences for the tapping of trees in villages in the British territory in which there are trees belonging to Government should invariably be got countersigned by the village headman of the village in which the trees are situated in token of the correctness of the entries concerning the ownership of the trees. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licences in the South Kanara district should be countersigned by the owner or person in possession of the trees intended to be marked in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries of the Madras Government and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force, if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licences for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rest thereto or for other sufficient reason and the mere payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping licences for trees so reserved.

6. (1) Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax into the Kothuotla Sub-Treasury, the rate being the same as in the Kurnool district. Toddy shopkeepers in Banganapalle State will be allowed to tap trees in the adjoining British territory on payment of tree-tax in the treasury of the taluk in which the trees stand. Toddy shopkeepers in British territory adjoining the Pudukottai State will be allowed to tap trees in that State on payment of tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

(2) Toddy shopkeepers in British territory adjoining Cochin State may be allowed to tap trees in that State on payment of full tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

A Cochin State renter applying for trees in British territory must pay full tree-tax in one instalment at the higher of the rates prevailing on both sides of the frontier, into a British treasury, and present to the British Tahsildar or Deputy Tahsildar concerned an application which must be certified or countersigned by the Circle Inspector of the division within whose jurisdiction the shop is situated. The British Circle Inspector to whom the application is forwarded shall have discretion to refuse to comply with an application either wholly or in part. The currency of the licences and permits issued by the British Circle Inspector shall correspond with the periods for which licences for tapping are granted under the tree-tapping rules in

force in the Cochin State. The licences and permits issued in the State center by the British Inspector shall be liable to suspension or cancellation at the request of the Cochin State Excise officer.

7. Persons applying for the issue of licences will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8 (1) Unless there are special reasons for refusing to mark the trees, the Inspector on receipt of an application will at once take steps for the marking of the trees by an officer of rank not lower than a Sub-Inspector and for the issue of the licence. The Inspector may also at his discretion refuse to comply with an application either wholly or in part, if he considers that the trees applied for are in excess of the legitimate demand of the shop. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the East Godavari district, in the West Godavari district, in the Repalle and Bapatla taluks of the Guntur district, in the Kavali, Atmakur, Nellore and Kovur taluks of the Nellore district and in the villages of the Agency tracts specified in Schedule I, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Dadapal (*Arenga Wightii*) trees in South Kanara, tree-tapping licences shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following and for coconut and sago trees they shall be half-yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following and from 1st April or any subsequent date to the 30th September immediately following, except in the case of the trees which have been illicitly tapped, on which the full tree-tax may be levied.

12. The following shall be the fees payable on account of each tree for the tapping of which licence is applied for:—

C. RAGHAVAN,
Assistant Secretary to the Commissioner of Excise and Separate Revenue.

Madras, 17th July 1939.

Statistics—Crop—Groundnut—1939—Summer and early crops—Condition report.

Sowings of the summer crop of groundnut and of the early crop in the districts of Salem and Coimbatore are generally below normal on account of insufficient water-supply as a result of the failure of the North-east monsoon last year

2. Harvest of the summer crop of groundnut has commenced in parts. The yield is expected to be normal only in South Arcot and below normal in the other districts. The early crop of groundnut in Coimbatore is generally fair.

3. The wholesale price of groundnut (shelled) per imperial maund of 82-2/7 lb. (equivalent to 3,200 tolas) as reported from important market centres on 10th July 1939 was Rs.5 in Cuddalore, Rs. 4-12-0 in Vizagapatam, Rs. 4-9-0 in Guntur, Rs. 4-3-0 in Vizianagram, Rs. 4-3-0 in Cuddapah and Vellore, Rs. 4-2-0 in Tadpatri, Rs. 3-15-0 in Nandyal, Rs. 3-14-0 in Adoni and Bellary, Rs. 3-13-0 in Hindupur and Rs. 3-12-0 in Anantapur. When compared with the prices published in the last report, i.e., those which prevailed on 11th April 1939, these prices reveal a rise of about 27 per cent in Tadpatri, 24 per cent in Adoni and Cuddapah, 22 per cent in Bellary and Hindupur, 21 per cent in Vizagapatam and Nandyal, 20 per cent in Vizianagram and Vellore, 19 per cent in Cuddalore and 18 per cent in Guntur and a fall of about 5 per cent in Anantapur.

L. B. GREEN,
Director of Industries and Commerce.

Tender for the work of excavating branch No. 8 of the Appapuram channel branch of the Commanmor canal and constructing masonry works in the branch channel.

Tenders will be received by the Executive Engineer, Guntur Division, at Bezwada at his office up to 4 p.m. on 31st July 1939.

The tender should be in the prescribed form obtainable from the Executive Engineer's office.

2. Tenders must be submitted in sealed covers, and should be addressed to the Executive Engineer, Guntur Division, Bezwada, the name of the tenderer and the name of the work being noted on the cover. If the tender is made by an individual, it shall be signed with his full name and his address shall be given. If it is made by a firm, it shall be signed with the co-partnership name by a member of the firm, who shall also sign his own name, and the name and address of each member of the firm shall be given. If the tender is made by a corporation it shall be signed by a duly authorized officer who shall produce with his tender, satisfactory evidence of his authorization. Such tendering corporation may be required before the contract is executed to furnish evidence of its corporate existence.

3. Each tenderer must pay, as earnest money, a sum of Rs. 300 for the above work into the branch of the Imperial Bank of India or into the Government treasury or sub-treasury within the jurisdiction of the Executive Engineer concerned, to the credit of revenue deposits on behalf of the Executive Engineer of the Guntur Division, Bezwada, and enclose with his tender the challan endorsed accordingly. This earnest money will be refunded to the unsuccessful tenderer on application, after intimation is sent of rejection of the tender or at the expiration of two months from the date of tender, whichever is earlier. This refund will be authorized by the Executive Engineer by suitable endorsement in the challan. The earnest money will not be received in cash or currency notes by the Public Works Department officers, save in exceptional cases, where there are no treasuries or banks within the jurisdiction of the officers calling for tenders. When currency notes are given, the tenderer should sign his name in full with date on the back of all the currency notes given by him whatever their denominations may be.

The earnest money will be retained in the case of the successful tenderer and will not carry any interest. It will be dealt with as provided in the tender.

4. When a tender is to be accepted, the tenderer whose tender is under consideration shall attend the Division office on the date fixed by written intimation to him. He shall forthwith upon intimation being given to him by the Executive Engineer of acceptance of his tender, sign an agreement in the departmental K-2 form for the due fulfilment of contract. Failure to enter into the required agreement shall entail forfeiture of the earnest money.

5. To give to prospective tenderers an idea about the nature and volume of work to be done and to enable them to quote suitable rates a schedule of approximate quantities is furnished. It shall however be definitely understood that the Government does not accept any responsibility for the correctness of the schedule and that it is liable to alterations, by omissions, deductions or additions. The several items of work noted in the schedule are to be executed as per the Madras Detailed Standard Specifications or supplemental specifications for which reference is given against each. The tenderer should carefully study the drawings, specifications and all the documents relating to the work to execute which this tender is called for. These can be seen at any time between 11 a.m. and 5 p.m. on office days in the office of the Executive Engineer, Guntur Division, Bezwada.

6. The tenderer's particular attention is drawn to the conditions and to the directions to parties tendering, detailed on the K-2 agreement form and also to the sections and clauses in the Standard Preliminary Specification of the Madras Detailed Standard Specification dealing with (a) Materials and workmanship—Section D, clauses 20 to 27 and (b) included in the contract rules—Section E and clauses 35 to 41 and 43.

7. Every tenderer is expected, before quoting his rates, to inspect the site of the proposed work. He should also inspect the quarries and satisfy himself about the quality and availability of materials. The names of quarries, kilns, etc., wherefrom certain materials are to be obtained will be given in the Descriptive Specification Sheet. The best class of materials to be obtained from the quarries or other sources defined shall be used on the work. In every case the materials must comply with the relevant standard specification. Samples of materials as called for in the standard specifications, or in this tender notice or as required by the Executive Engineer, Guntur Division, in any case, shall be submitted for the Executive Engineer's approval before the supply to site of work is begun. If the contractor, after examination of the source of materials defined in the Descriptive Specification Sheet, is of opinion that materials complying with the standard or other specifications of the contract cannot be obtained in quality or sufficient quantity from the source defined in the Descriptive Specification Sheet, he shall so state clearly in his tender and state wherefrom he intends to obtain materials, subject to the approval of the Executive Engineer, Guntur Division.

The Government will not, however, after acceptance of a contract rate pay any extra charges for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the contractor is directed to the 'Preliminary Specification' regarding payment of seigniorage, tolls, etc.

3. The rate tendered should be for finished work in situ inclusive of all incidental charges connected with its execution and should be quoted in figures, annas and in sums of three pies. The rates should be written in words and figures and the units in words. The tender should be written legibly and free from erasures, overwritings or corrections of figures. Corrections where unavoidable should be made by crossing out, initialing, dating and rewriting.

9. Tenders offering a percentage deduction from or increase on the estimate amount, and those not submitted in proper form or in due time will be rejected. Rates or lump-sum amounts for items not called for shall not be included in the tender. The tenderer should work out his own rates, without reference being made to the Public Works Department current schedule of rates or to the Public Works Department estimate rates which are not open for inspection by tenderers.

10. No part of the contract shall be sublet without written permission of the Executive Engineer, nor shall transfer be made by power-of-attorney authorising others to receive payment on contractor's behalf.

11. If further necessary information is required, the tenderer will be furnished such, but it must be clearly understood that tenders must be received in order, and according to instructions.

12. The Executive Engineer or other sanctioning authority reserves the right to reject any tender or all the tenders without assigning any reason therefor.

This earnest money will be refunded to the unsuccessful tenderer on application, after intimation is sent of rejection of the tender or at the expiration of two months from date of tender, whichever is earlier. This refund will be authorised by the Executive Engineer by suitable endorsement on the chalan. The earnest money will not be received in cash or currency notes by the Public Works Department Officers, save in exceptional cases, where there are no treasuries or banks within the jurisdiction of the officer calling for tenders. When currency notes are given, the tenderer should sign his name in full with date, on the back of all the currency notes given by him, whatever their denominations may be.

The earnest money will be retained in the case of the successful tenderer and will not carry any interest. It will be dealt with as provided in the tender.

4. When a tender is to be accepted, the tenderer whose tender is under consideration shall attend the Division office on the date fixed by written intimation to him. He shall forthwith upon intimation being given to him by the Executive Engineer of acceptance of his tender make a security deposit of rupees one hundred and twenty only in one of the forms prescribed in the Madras Public Works Account Code and sign an agreement in the proper departmental form for the due fulfilment of the contract. This security deposit together with the earnest money and the amount withheld according to clause 68 of the standard preliminary specification of the Madras Detailed Standard Specifications will be retained as security for the due fulfilment of this contract. If a cash security deposit is made by the contractor he shall follow the procedure laid down in the preceding paragraph for payment of earnest money and such deposit will not bear interest. Failure to attend the Division office on the date fixed in the written intimation from such office or to enter into the required agreement or to make the security deposit as defined in this paragraph shall entail forfeiture of the earnest money.

5. The tenderer shall examine closely, the Madras Detailed Standard Specifications, and also the Standard Preliminary Specification contained therein, and sign the Divisional office copy of the Madras Detailed Standard Specifications and its addenda volume in token of such study before submitting his tender unit rates which shall be for finished work in situ. He shall also carefully study the drawings and additional specifications and all the documents which form part of the agreement to be entered into by the accepted tenderer. The Madras Detailed Standard Specifications and other documents connected with the contract such as specifications, plans, descriptive specification sheet regarding materials, etc., can be seen at any time between 11 a.m. and 5 p.m. on office days, in the office of the Executive Engineer, Madanapalle Division.

6. The tenderer's attention is directed to the requirements for materials under the clause "Materials and workmanship" in the "Preliminary Specification." Materials conforming to the British Standard Specifications shall be used on the work, and the tenderer shall quote his rates accordingly.

7. Every tenderer is expected, before quoting his rates, to inspect the site of the proposed work. He should also inspect the quarries, and satisfy himself about the quality and availability of materials. The names of quarries, kilns, etc., wherefrom certain materials are to be obtained will be given in the Descriptive Specification Sheet. The best class of materials to be obtained from the quarries or other source defined shall be used on the work. In every case the materials must comply with the relevant standard specification. Samples of materials as called for in the standard specifications, or in this tender notice, or as required by the Executive Engineer in any case, shall be submitted for the Executive Engineer's approval before the supply to site of work is begun. If the contractor, after examination of the source of materials defined in the Descriptive Specification Sheet, finds that materials complying with the standard or other specifications of the contract cannot be obtained in quality or sufficient quantity from the source defined in the Descriptive Specification Sheet, he shall so state clearly in his tender and state wherefrom he intends to obtain materials, subject to the approval of the Executive Engineer.

The Government will not, however, after acceptance of a contract rate pay any extra charges for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the contractor is directed to the standard "Preliminary Specification" regarding payment of seigniorage, tolls, etc.

8. The tenderer's particular attention is drawn to the sections and clauses in the standard "Preliminary Specification" dealing with—

(1) Test, inspection and rejection of defective materials and work.
(2) Carriage.
(3) Constructing plant.
(4) Water and lighting.
(5) Cleaning up during progress and for delivery.
(6) Accidents.
(7) Delays.
(8) Particulars of payment.

The contractor should closely peruse all the specification clauses which govern the rates which he is tendering.

9. A schedule of quantities accompanies this tender notice. It shall be definitely understood that the Government does not accept any responsibility for the correctness or completeness of this schedule, and that this schedule is liable to alterations by omissions, deductions, or additions at the discretion of the Executive Engineer, Madanapalle Division, or as set forth in the conditions of contract. The tenderer will, however, base his lump-sum tender on this schedule of quantities. He should quote specific rates for each item in the schedule, and the rates should be in rupees, annas, and in sums of three pies. The rates should be written both in words and figures and the units in words. The tenderer should also show the totals of each item and the grand total of the whole contract, and quote in the tender a lump-sum for which he will undertake to do the whole work subject to the conditions of contract, such lump sum agreeing with the total amount of Schedule A. This schedule accompanying the lump-sum tender shall be written legibly and free from erasures, overwritings or corrections of figures. Corrections, where unavoidable, should be made by crossing out, initialling, dating and rewriting.

10. Tenders offering a percentage deduction from or increase on the estimate amount, and those not submitted in proper form or in due time will be rejected. Rates or lump-sum amounts for items not called for shall not be included in the tender. No alteration which is made by the tenderer in the contract form, the conditions of contract, the drawings, specifications, or countries accompanying same will be recognized; and, if any such alterations are made, the tender will be void.

11. The tenderer should work out his own rates, without reference being made to the Public Works Department current schedule of rates or to the Public Works Department estimate rates which are not open for inspection by tenderers.

12. The price at which and the source from which certain particular materials shall be obtained by the contractor are given at the end of the schedule accompanying the tender form. Tenderers must accept the material at these prices, and shall quote their price for finished work accordingly. Notwithstanding any subsequent change in the market value for those materials, the charge to the contractor will remain as originally entered in the written contract. No cartage or incidental charges will be borne by Government in connexion with this supply.

13. The attention of the tenderers is directed to the contract requirements as to the time of beginning work, the rate of progress, and the dates for

the completion of the whole work and its several parts. The following rate of progress and proportionate value of work done from time to time, as will be indicated by the Executive Engineer's certificates of the value of work done, will be required. Date of commencement of this programme will be the date on which the site (or premises) is handed over to the contractor.

Period after date of commencement.	Percentage of work completed (based on contract lump-sum amount).
Three months	30
Six months	60
Nine months	100

14. No part of the contract shall be sublet without written permission of the Executive Engineer nor shall transfer be made by power-of-attorney authorizing others to receive payments on the contractor's behalf.

15 If further necessary information is required, the Executive Engineer of the Division will furnish such, but it must be clearly understood that tenders must be received in order, and according to instructions.

16 The Executive Engineer or other sanctioning authority reserves the right to reject any tender or all the tenders without assigning any reason therefor.

SUPPLEMENT TO PART II

OF

THE FORT ST. GEORGE GAZETTE

No. 28-B] MADRAS, TUESDAY EVENING, JULY 18, 1939

BOARD OF REVENUE (EXCISE).

Notice of Sale of Abkari Privileges.

No. 8.—

Notice is hereby given that the privilege of sale of toddy in independent shops in the tree-tax areas of the Presidency, excluding the Banganapalle State, will be put up to auction subject to the conditions hereinafter set forth. It is however open to Collectors to dispose of any privilege of sale of toddy in such manner as they may deem fit. The period for which the privileges will be sold will be twelve months commencing 1st October 1939 and ending 30th September 1940. The number of shops, the local limits appointed for them and the dates on which, the places at which and the officers by whom, the auction sales will be conducted, will be notified by Collectors in their District Gazettes. The Collectors of Tinnevelly and Ramnad will notify separately the special conditions subject to which the toddy shops in Tinnevelly district and in Sattur, Srivilliputtur, Ramnad, Mudukulattur and Paramakudi taluks of Ramnad district will be put up to auction. A separate notification will be issued regarding operations under the tree-tax system.

CONDITIONS OF AUCTION SALE.

I. Any person desiring to bid must deposit Rs. 20 with the selling officer on the day of sale, but discretion is given to the selling officer to reduce the deposit to Rs. 10 or Rs. 5 when necessary. In Madras City the deposit to be made by each bidder will be Rs. 50. No one will be admitted to the auction room unless he has made this deposit. No one may bid for another person unless he holds a power-of-attorney from him. No shop will be knocked down in the name of two or more persons. In the case of a duly recognised company or firm an agent duly authorized by a power-of-attorney, or any office-bearer empowered by the articles of association or similar rules, may bid for and act on behalf of the company or firm. Deposits made under this clause will be returned on application to unsuccessful bidders at the close of the day's sale.

NOTE.—In Madras City the deposit must be paid into the sales treasury and the chalan for such payment produced before the selling officer. Deposits will be returned under the orders of the selling officer to unsuccessful bidders at the close of the day's sale on presentation of the chalan at the Taluk office.

II. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a criminal court or has previously been guilty of such a breach of the conditions of licence or of a contract under the Abkari Opium Act as to render him undesirable as a holder of a licence; or (2) that he is insolvent or in arrears to Government; or (3) that his bid is purely speculative; or (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop or of a neighbouring village, or (5) that he is a contract supplier of country spirits for the contract area within which the shop is situated; or (6) that he is a brewer or agent of a brewer (either local or foreign) bidding for any shop in which beer is sold for consumption on the premises; or (7) that such a course is necessary to prevent arrangements to the detriment of Government interests; or (8) for any other valid reason.

III. The reserve price placed on each shop will not be published but the average monthly rental during the previous five years will be notified by Collectors, wherever possible, for the information of bidders. The selling officer will fix the upset price of each shop.

IV. The shops will be put up to auction in the order in which they are notified unless the selling officer sees reason to change that order.

V. The highest bid will be provisionally accepted by the selling officer subject to confirmation by the Collector. Such subsequent confirmation after the close of the sale will be necessary even if the selling officer is the Collector himself. The Collector will be at liberty to accept or reject any bid at his discretion. If the selling officer before the close of the sale rejects under condition II the highest bid for any shop he may at his discretion accept the next highest bid. If the selling officer does not accept any bid either he may bring the shop to auction again immediately or it may be left over for sale at a subsequent date. In case of dispute the selling officer's decision will be final.

VI. (a) Every person whose bid is provisionally accepted shall—

(i) at once, if so required by the selling officer, or otherwise at the close of the day's sale, deposit, in addition to the deposits made under clause I, half a month's rent for each shop knocked down to him, unless the initial deposit equals or exceeds two months' rent;

(ii) at once apply in writing for a licence for each shop knocked down to him and within a week thereafter furnish the Tahsildar with the boundaries of the site selected by him for the location of the shop and a statement in the prescribed form (annexed to this notification) showing details of the immovable property possessed by him, or in which he has an interest together with accurate and full details of encumbrances, *etc.*, thereon;

(iii) within fifteen days from the date of sale deposit such further sum as with the deposits already made under sub-clause (i) supra will make up two months' rent of all shops knocked down to him.

(b) Further if the Tahsildar is not satisfied that any such purchaser can be trusted to pay his rent punctually and fully, he shall require him, in addition to making the deposit required under clause (a) (iii) supra, to select one of the following three courses and follow it within the time specified by the Tahsildar, i.e., either

(i) to deposit two months' rent of all shops knocked down to him; or

(ii) to execute a mortgage of his immovable property in favour of the Government for all moneys that may become due under the terms of the contract with a power of sale in favour of the mortgagee to be exercised in default of payment thereof by the purchaser; or

(iii) to produce a surety or sureties, to be accepted by the Tahsildar, who should execute a security bond for the due payment of all moneys that may become due by the purchaser under the terms of the contract and to execute a mortgage deed of his or their immovable property in favour of the Government for the payment of all moneys due under the said contract by the purchaser with a power of sale in favour of the mortgagee in default of payment thereof by the surety or sureties or by the purchaser.

If the Tahsildar is not satisfied that the value of the immovable property tendered as security by the purchaser under sub-clause (ii) supra is adequate, he shall require him to produce, in addition to mortgaging his property, a surety or sureties to be approved by the Tahsildar, who shall execute a security bond for the balance of the money that may become due, and a mortgage deed of his or their property in favour of the Government.

The sureties referred to in this clause (b) shall submit to the Tahsildar a statement in the prescribed form annexed to this notification showing details of their immovable property.

The purchaser shall be bound to carry out the provisions of this clause (b) within ten days from the date of communication to him of the Tahsildar's orders requiring him to do so.

The bond and the mortgage deeds shall be stamped and registered at the expense of the purchaser. He shall be bound to execute a counterpart agreement. The purchaser or his surety must produce at his cost an encumbrance certificate in cases in which immovable property is mortgaged to the Government.

(c) If the initial deposit exceeds two months' rentals, the excess will not be refunded till the termination of the lease.

VII. Deposits will be returned in any case in which the Collector refuses to confirm the acceptance of the bid.

VIII. At the close of the day's sale the selling officer will announce, subject to the approval of the Collector, the date, time and place at which any shops unsold will again be put up to auction and the officer who will conduct such auctions. The conditions of sale will remain unaltered unless otherwise specified. When the list of shops so to be brought to auction again has been drawn up a copy of it will be sent to any bidder who gives his name and address to the Tahsildar and will be posted up at the Taluk office.

IX. (a) The order of the Collector confirming a bid provisionally accepted by the selling officer shall be final unless it is revised by the Board of Revenue for special reasons.

(b) If the Collector considers such bid to be inadequate, he may postpone passing orders confirming or refusing to confirm the provisional acceptance of the bid, and immediately direct that the sale shall be continued from the point at which it was last left, on such date and at such time and place as may be fixed by him. The conditions of sale will remain unaltered unless otherwise directed by the Collector.

Any order passed by the Collector under this clause shall be given adequate publicity and shall also be notified at the Taluk office.

(c) Any sale ordered to be continued under clause (b) shall begin with the bid provisionally accepted by the selling officer at the original sale and in the name of the individual who offered it. If at such sale a higher bid is offered and is provisionally accepted by the selling officer, the bid with which such sale began shall lapse. But if no higher bid is accepted by the selling officer the matter shall be reported to the Collector who may pass orders confirming the bid provisionally accepted at the original sale or may again direct that the sale be continued from the point at which it was left at the original sale, and the order of the Collector shall be final unless it is revised by the Board of Revenue for special reasons.

(d) The provisions of clause (c) above shall apply to any sale the continuance of which is directed under that clause.

(e) No bid which has been provisionally accepted by the selling officer shall be withdrawn before it lapses under clause (c) or before orders are passed confirming or refusing to confirm it, and if the bidder commits any breach of this condition, he shall be liable to make good the difference between his bid and any lower bid which may be finally accepted.

X. On the failure of any person to make a deposit or apply for a licence under conditions VI or to comply with any requisition or to execute any engagement under condition VI, the shop may be resold under the orders of the Divisional Officer or on a report from the Divisional Officer may be otherwise disposed of by the Collector. Resales under this condition will be at the risk of the defaulting bidder, who will forfeit all gain and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the deposits already made by the defaulting bidder will be forfeited and deducted from the loss arising from the resale, and the balance of the loss, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should however the deposits be greater than the loss by resale, only such part of the deposits as is necessary to cover loss by resale will be forfeited and the balance refunded to the defaulter. The defaulting bidder will be similarly liable if the shop is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale. Disposal otherwise than by resale includes closure.

XI. The purchaser of any abkari or opium privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal licence may not have been issued to him. In the event of the purchaser's death after issue of the licence, his heirs and assigns shall be responsible for all moneys that may become due to the Government under the terms of the licence as well as for the proper observance of all the conditions of the licence.

XII. The deposits under condition VI (a) (iii) and (b) (i) may be made either in cash or in recognised Government, Port Trust, Municipal or Local Board securities, or by depositing Postal savings bank pass books or deposit certificates obtained from the Provincial Co-operative Bank (Madras Central Urban Bank) or from any of the Central Banks approved by the Registrar of Co-operative Societies. When deposits are made otherwise than in cash, the Collector may demand that they shall be of such higher face value than the cash deposit required as in the circumstances of the market he may think necessary. Where the deposits under this condition are sufficient, under the Collector's orders, I and VI (a) (i) which have not been refunded as well as deposits due under condition VI (c)-(iii) and (b) (i) the deposits made in cash may be returned to the depositors. Renters who have made the deposits under condition VI (a) (iii) and (b) (i) in the form of deposit certificates obtained from any of the Central Banks mentioned above or in cash may make a formal requisition to the Treasury Officer or Sub-Treasury Officer as the case may be to transfer the cash deposits made by them under conditions I and VI (a) (i) or under conditions I, VI (a) (i) and VI (a) (ii) and (b) (i), to the fixed deposits in the Central Bank in the name of the Collector as the case may be will endorse this requisition on to the Bank and inform it that when the Bank gives the necessary formal receipt, he will

hand over the amount to the representative of the Bank duly authorized to receive it, or will remit it by postal money order or insurance cover to the Bank. When the amount has to be sent by postal money order or insurance cover the renter will be required to deposit in the Treasury or Sub-Treasury, with his requisition to transfer the deposit, an amount which shall, in the opinion of the Treasury Officer or Sub-Treasury Officer as the case may be, be sufficient to cover the cost of forwarding the amount of the deposit to the Bank, any balance not utilized for this purpose will be credited towards any rent due from the depositor. The securities or savings bank pass books deposited must be endorsed in the name of the Collector and Government promissory notes must be enfaced for payment of interest at the treasuries at which they are deposited, if so required. In the case of Co-operative Bank deposit certificates the deposits must be made in the name of the Tahsildar of the taluk; the contractor must agree in writing that he undertakes the risks, if any, involved in the investment and the banks must certify on the deposit certificate granted that the deposit is withdrawable on the Tahsildar's demand.

XIII. Deposits in cash will be adjusted towards the instalments of rents due in the last months of period of the lease. Deposits of securities or savings bank pass books or Co-operative Bank deposit certificates will be returned on payment in cash of the full amount of the rent due and of any penalties or other sums recoverable under the terms of the licence or of the conditions set forth below unless the depositors wish that Government should take them over, in which case they will be taken over at the price of the day, and the balance, if any, due to the Government must be paid in cash. In cases of default under condition X of the conditions of auction sale or under condition 37 of the general conditions applicable to all abkari and opium licences, all securities deposited are liable to be sold for any amount due to Government under the terms of the lease, the remainder, if any, due after such sale, being recovered as arrears.

(ii) of the Collector of the district in other cases

Such sanction shall not be given without giving the party concerned an opportunity to be heard.

(5) The Provincial Government shall have power to make rules for giving effect to the provisions of this section."

STATEMENT OF OBJECTS AND REASONS.

There is much delay in the disposal of applications for loans made to primary co-operative land mortgage banks. The chief cause of this delay is the inability of applicants to produce promptly documents of title to the properties proposed to be mortgaged by them. In most cases, the documents of title are in the possession of creditors who are averse to produce them before the land mortgage banks for the purposes

of verification and the taking of copies In some cases, applicants for loans have mislaid or lost the documents returned to them by their creditors after the loans had been duly discharged In such cases, it is necessary to obtain statements from the ex-creditors to the effect that the amounts due to them have been repaid. There is however no machinery now for obtaining such statements.

2. The object of this Bill is to remove the difficulties referred to above and thereby expedite the disposal of applications for loans. It is proposed to empower the Registrar of Co-operative Societies and officers of his Department authorized by him, and such officials engaged in the relief of rural indebtedness and such officers of co-operative banks as are authorized by the Provincial Government in this behalf, to compel creditors to give evidence and produce all documents in their possession or power. They have also been authorized to take copies of documents or of entries therein and these copies are to be admissible in evidence to the same extent as the originals. The disobedience of any summons, requisition or order issued under the new section has been made punishable and provisions on the lines of section 56 of the Madras Co-operative Societies Act, 1932, have been added regarding prosecutions for such offences. Power has also been taken to make rules for giving effect to the provisions of the new section.

3 It is anticipated that the provisions of the Bill will help to ensure to the ryot population of this Presidency the full benefit not only of the Land Mortgage Banks Act, but also of the Agriculturists Relief Act.

V. V. GIRI.

(By order of His Excellency the Governor)

P. APPU NAIR,
Secretary to Government, Legal Department.
